What is the Champions for Children Breakfast?

The Family & Children's Place "Champions for Children Breakfast" has provided essential support to the agency for nearly 10 years, raising **more than \$1 million** to help families hurt by child abuse and neglect. It's the agency's flagship annual event, hosting 500 community, business, and government leaders from both Kentucky and Southern Indiana. This event provides Family & Children's Place an opportunity to celebrate the accomplishments of clients, and detail the impact our services have across the community.

Who are Champions?

Champions comprise dozens of community members who are passionate about ending child abuse and eager to share our mission with their community. You are vital to the event's success. Champions invite guests to join them at their table, update them with information about the event and the agency leading up to the breakfast, and help ensure their guests feel welcome throughout the event.
